"iPhone" is a registered trademark of Apple Inc. in the United States and other countries. It is a line of smartphones designed and marketed by Apple Inc. since 2007. The first iPhone was released in 2007 and was revolutionary because it was the first smartphone to have a multi-touch interface and no physical keyboard. It was also the first smartphone to have a camera. The iPhone line has since expanded to include a variety of models, including the iPhone SE, iPhone 11, iPhone 12, and iPhone 13. The iPhone 13 Pro Max is the latest model in the line, featuring a 6.7-inch display, a triple-camera system, and a titanium finish. The iPhone 13 Pro Max is available in three colors: Sierra Blue, Graphite, and Gold. The iPhone 13 Pro Max is priced at \$1,099 (128GB) and \$1,299 (256GB). The iPhone 13 Pro Max is available at various retailers, including Apple, Best Buy, and Amazon. The iPhone 13 Pro Max is a great choice for anyone looking for a high-end smartphone. It offers a large display, a powerful camera, and a long battery life. The iPhone 13 Pro Max is also a great choice for anyone who wants a smartphone that is built to last. The iPhone 13 Pro Max is made of premium materials and is designed to withstand wear and tear. The iPhone 13 Pro Max is a great choice for anyone who wants a smartphone that is both powerful and durable.
